I have put together images related to the Mishkan
I have included - English / Hebrew Transliteration / Hebrew
for each image.

This is the first package - the next one will include all items and how they are
used. I will also include a write up for each image that later can be slotted
together in the order that you choose.

Images have been taken from:

~ <http://freebibleimages.org/>

~ Crossway - ESV images

~ Temple institute.

This is not for re-sale & is free for personal use.
